

**MISSION STATEMENT**

We at Covenant Christian School fully trusting the power of God, have set ourselves to the task of teaching children that in life we must seek a proper relationship with God. This teaching is concerned not only with the counsels of God revealed in His Word, but also in the counsels revealed in His World. We desire to teach that all Truth is God's Truth, and Jesus Christ is central to all Truth; again not simply in the Word, but in history, in geography, in music, in all the arts and also in the other studies.
